Please Check Boxes to show you have read and agree:

I understand that private lessons need paid by credit card billing set up on my account. We can consider alternate payment agreements but prefer the credit card billing in our system.

I understand that if I need to cancel the lesson, I am responsible for contacting the staff member to cancel the lesson prior the staff member coming in for the lesson. If it is not canceled with enough time to keep the staff member from coming in, there is no refund for the lesson.

I understand that I am must sit right inside the glass doors during the lesson. DO NOT MOVE past the Balance Beam Area We do not allow the staff member and gymnast to be alone in the facility at any time.

I understand that if more than one gymnast does a lesson, there is an additional \$20 fee to the lesson price. (EX. You schedule a \$60 lesson and 2 gymnasts do the lesson, the cost of the lesson is \$80 with the initial \$60 billed to one family and the additional \$20 to the 2nd gymnast and families need to work out the difference)
