

Vacation Policy

If a student goes to

1. an AMUSEMENT PARK with rides
2. Crowded places where physically distancing is not possible
3. Large social gatherings

you will need to understand that

- Our staff will not be spotting that student and will instead be teaching through developmental lead up skills and drills
- The student will be seated at an individual table for snacks and lunch

So to help mitigate the spread, when with others not in you household, WEAR A MASK & STAY 6 FEET APART.

If at any time (on vacation or otherwise) when you sit for a meal together with people outside your household, Please spread out as much as possible and wear masks when not eating. This is when Covid can easily be spread.
